

BALLARD BUSINESS PREVENTATIVE ACTION

The Ballard business community is working together to ensure that our businesses are taking all necessary precautions to aid in reducing the risk of spreading COVID-19/Coronavirus.

To help lessen the impact, this business is taking the following proactive steps to help ensure the safety of its customers and employees.

HERE'S WHAT WE ARE DOING:

1. SICK EMPLOYEES ARE NOT PERMITTED TO COME TO WORK.

2. EMPLOYEES EXHIBITING SYMPTOMS WILL BE SENT HOME IMMEDIATELY.

3. EMPLOYEES ARE REQUIRED TO WASH OR SANITIZE THEIR HANDS ON AN HOURLY BASIS.

4. POSTERS WITH PREVENTATIVE MEASURES ARE HUNG IN HIGHLY VISIBLE AREAS THROUGHOUT THE WORKPLACE.

- Information on cough and sneeze etiquette, hand hygiene and staying home when sick.

5. EVERY TWO HOURS, STAFF USES SANITIZING SOLUTION TO WIPE DOWN ALL COMMON SURFACES:

- All countertop surfaces, tables and chairs.
- Electronics such as computers, touchscreens, phones and point-of-sale equipment.
- All other frequently touched surfaces such as light switches, door and equipment handles, and shared bathrooms.
